**NDE: GMS Carryover Funds From 2017-18 into 2018-2019**

Contact: The NDE Consultant for your district/ESU

RE: Carryover funds from 2017-18 into 2018-19 for the following GMS programs

- ESSA Consolidated Application
  - Title I-A
  - Title I-D
  - Title II-A
  - Title III-EL
  - Title III-IE
- Title I-D State Agencies Application
- McKinney-Vento Homeless Application
- IDEA Consolidated Application

Due to NDE updating financial coding for the 2018-19 school year, all carryover funds from 2017-18 to 2018-19 have to be manually entered this year, therefore all carryover for programs listed above will be uploaded at the same time. These carryover funds from 2017-18 are now available.

Each district having carryover funds for one or more programs from 2017-18 will need to create an amendment in the NDE Grants Management System (GMS). NDE encourages districts to submit amendments by mid-April.

*An email providing the above information has been sent to public school superintendents and ESU administrators. Please forward to others, as appropriate.*

Contact: Pete Biaggio (402-471-4308 or [pete.biaggio@nebraska.gov](mailto:pete.biaggio@nebraska.gov))

IDEA Part B Special Education Maintenance of Effort (MOE) Application for Compliance Standard for school year 2017-2018 opens on March 15. The report may be accessed within the NDE Portal under the Data Collection tab.

School district receipt of IDEA dollars is contingent upon maintaining fiscal effort for Special Education. Districts must expend a greater or equal amount of local or local/state funds from a previous year highest level to meet the MOE requirement. Final calculations based on actual special education school district

expenditures/receipts/data obtained from the 2017-2018 AFR, GMS and NSSRS are available and have been compared to the highest levels of fiscal effort. As a result, calculations for meeting the IDEA MOE Compliance Standard may have resulted in a MOE excess or shortage that requires school district review for determination of adjustments or credits that could modify the MOE level.

### **Staff Reporting and Staff Leaving**

Contact: NDE Helpdesk (888-285-0556 or [ADVISERHELP@nebraskacloud.org](mailto:ADVISERHELP@nebraskacloud.org))

REMINDER! DO NOT DELETE anyone from Staff Reporting that worked in your school district during the 2018-2019 school year. If they have left or are leaving put an end date in their position assignment. If you delete them, their experience at your district will not be recorded in the NDE Staff database. This database is used as a validation for Teacher Certification when they verify experience which is required when renewing certificates. If you delete their experience, the teacher may not be able to renew their certificate.

If you have deleted some staff you should not have deleted, please add them back with an end date in the staff position assignment.

### **Clarification on Keeping Attendance for Part-time Students, Early Childhood SPED and Rule 11 Students Served in the Home**

Contact: Pam Tagart (402-471-4735 or [pam.tagart@nebraska.gov](mailto:pam.tagart@nebraska.gov))

After researching recent questions, it has been determined that Rule 1.003.03B4 and Rule 2006.02B require school districts to maintain cumulative attendance and membership records **for each student**. NDE will be updating the Who Reports What document to reflect these rules on keeping attendance on these students, as this is different guidance than what was supplied by NDE staff in the past. Since it is February 2019, please do the best you can for reporting 2018-2019 calendar and attendance data. Please review the Calendar Details, Student Attendance Summary, and ADA/ADM verification reports in the ADVISER Validation website to ensure students are being reported correctly.

Under ADVISER the **Days in Session** count for each student is determined by looking at the calendar track the student is assigned to and summing up the number of in-session days reported under that track. Only in-session days that are between the student's enrollment entry and exit dates are counted. A student is automatically assumed to be present for all in-session days reported in their calendar track, unless an absence is reported. The number of **Days Present** for a student is found by summing their Days in Session from their calendar track and subtracting the absences reported for the student. The **Average Daily Membership** calculation aggregates the Days in Session numbers for all students, with each student's numbers being weighted according to their FTE. The **Average Daily Attendance** is the same calculation performed using the Days Present numbers.

In reviewing this issue and the uses of the data, here are some things that may be affected if you do not report attendance/absence data to NDE:

1. State per pupil expenditures will be lower because the divisor will include students for whom attendance is not kept and the students will look like they are 100% in attendance which may not be accurate. This calculated data element determines Nebraska's NPEFS reporting which is used for federal allocation for IDEA programs including Title I and SPED. A lower state per pupil expenditure means Nebraska will get a lower amount in federal allocation.
2. ADA/ADM is used in Calculating Title I Maintenance of Effort but it is only part of the formula.
3. District per pupil expenditures will be lower for the same reason as #1.
4. Some Grants use ADA.
5. If these students aren't included in membership they won't be factored in for TEEOSA.
